Acumen Aviation Extends Scope of EASA CAMO Approval

Dublin, 20 March, 2018: Acumen Aviation, a leading Aircraft Asset Management Services Company is delighted to announce that it has extended the scope of its EASA CAMO approval. The Irish Aviation Authority (IAA) has granted Acumen approval on the Cessna Citation XL/XLS series and the Pitts Special Series GA aircraft.

Commenting on the approval James Flynn the Continuing Airworthiness Manager said “The Citation is a welcome addition to our scope together with both the Boeing 737NG and the Airbus 320 Family. We are delighted to be expanding our services to meet the growing requirements of our valued customers.”

Further expansion of our CAMO approval is planned with an additional two aircraft types to be added before the summer season.

About Acumen Aviation

Acumen is a full-service aircraft asset manager with a global platform. Established in 2009 its headquarters is based in Ireland with offices in India, China and the USA. Acumen’s management team has over 300 years of cumulative experience with a permanent staff of over 60 people. Acumen offers a full range of services throughout the lifecycle of the aircraft including aircraft sourcing, pre-purchase inspections (physical and records), project management, lease management and re-marketing, fleet audits, aircraft trading and powerplant management. Its customers include Aircraft Lessors, Airlines, Banks, Private Equity and Investors. In 2015, Acumen had over 400 aircraft under varying forms of management.
