Automatic Appoints Acumen for EASA CAMO Transition Project

Dublin – 23-10-2018: Acumen Aviation, a Dublin based Aircraft Lease Management Company is delighted to announce that it has been appointed by Automatic to provide EASA CAMO services for the transition of two Boeing 737 aircraft from the United States to Europe.

The Irish Aviation Authority (IAA) recently expanded Acumen's CAMO approval with the addition of the Bombardier Dash 8 / Q400 series, ATR 42/72 Series and Boeing 737 Classic Series. These additions together with the currently held Airbus 320 Family and Boeing 737 NG Series approvals ensure that Acumen is equipped to meet the growing customer needs.

The Continuing Airworthiness Manager, Mr. James Flynn said: "We are thrilled to increase the scope of work of the CAMO which will dovetail neatly into all the other aspects of the Acumen brand has to offer".

About Acumen Aviation

Acumen is an aircraft asset lease manager with a global platform, established in 2009, headquartered in Ireland with offices in India, China and the USA. Acumen's management team has over 300 years of cumulative experience with a permanent staff of over 75 people. Acumen offers a full range of services throughout the lifecycle of the aircraft including aircraft sourcing, pre-purchase inspections (physical and records), project management, lease management, re-marketing, fleet audits, aircraft trading, powerplant management, aircraft valuations and CAMO services. Its customers include aircraft lessors, airlines, banks, private equity and investors.
