Acumen Aviation Completes Automatic EASA CAMO Transition Project

Dublin – 19-06-2019: Acumen Aviation, a leading Aircraft Asset Management Services Company is delighted to announce it has completed the EASA CAMO transition project of three Boeing 737 aircraft from the United States to Europe.

Acumen's CAMO capability is expanding to meet growing customer needs and holds approvals for the Airbus A330, Bombardier Dash 8 / Q400 series, ATR 42 / 72 series, Airbus 320 Family and Boeing 737 Classic and NG series.

The Continuing Airworthiness Manager Mr. James Flynn said *"The Acumen team was delighted to support Automatic with these transition projects. Given the complexity of the modifications performed it was great to see our team working well with the IAA, FAA, Automatic and Mistral Airlines."*
